Discover the power of attachment frames - a simple solution that simplifies and optimizes logistics and storage. With a portfolio of over 1000 sizes and designs, we are a leader in innovative delivery concepts. This is supported by 4 distribution warehouses that cover the whole of Germany. Founded by VHP GmbH & Co. KG, our strategic partnerships, which have also included Spreewald Verpackungen since 2020, ensure efficient and cost-effective deliveries. Experience logistical excellence with us.
